“ *Our most sincere condolences to All of you. For some reason, the story or should I say stories, about all the kids growing up and roaming the neighborhood comes to mind. I remember hearing of them hanging out in the "ort" (so original ;)) and just being kids. It's always nice growing up with siblings that are so close in age. Cousins & friends, brothers and sisters, Frenemies at times but when push came to shove, Family means the most. May you all treasure the memories where you can look back and smile knowing she is safe and sound awaiting you in Heaven. Love, Sal & Julie xo*
