“ I have so much to say..I will cherish every memory I have that involves you. You were funny, loving, and took no crap from anyone! You had the biggest heart of anyone I have ever met and I am so glad I got the opportunity to have someone so special in my life. Not only to me but also to my husband and kids! When me and Missy had our differences you never stopped talking to me. You encouraged me to not give up on our friendship and I didn't. You were my tie to her and now she is forever my tie to you. Now I just wish there was a book or something with instructions on how to be there for my best friend during this time :(I LOVE YOU and I WILL ALWAYS REMEMBER ALL THE GOOD TIMES WE SHARED! your friend for life, Carla

“ First, I would like to say I am so sorry about the sudden passing of Donna, and my prayers and thoughts go out to her entire familiy. I worked with Donna at Near North Insurance for many years, and now at Mesirov Financial in which we became friends. I just want to say to Donna's kids Melisa, Joey, Nicki and her grand children, you were all the shining light in her eyes and in her heart. She loved all of you so so much, she couldn't stop talking about all of you kids. She could go on for days!!! May you all find some comfort in knowing how much love and pride she had for each of you, and how much happiness and love you gave back to her. God Bless you all. Sandy Neubert
