“ So sorry to hear. Sorry I haven't talk to her for along time, more sorry I won't be able to talk to her again. She was a wonderful lady. I've missed her.

“ I was deeply saddened by the news of my dear Aunt Dorothy's passing. It saddens me even more to not be able to pay my respects in person. Aunt Dorothy was the coolest Aunt a kid could have. My childhood memories are filled with with all the fun times spent at my aunt and uncle's house.. and all the times they came over to ours. My house to this day displays all the awesome gifts her and my uncle sent me over the years. From the "melted" clock in my living room, to the little rock waterfall in my bedroom, to the various "musical" themed items in my studio room... the traces of her memory and love for me are all around. I am eternally gratefull and lucky to have had such a cool, loving and fun Aunt. Her smile the sound of her laughter is clear as a bell in my head.. and that's exactly how I will always remember her. My deepest condolences to Amy, Monica, Mike, Steve, Ken and the entire family. Sending my love to you all.

I gathered up a few photos from my collection. I hope Aunt Dorothy, Uncle Ed, my Dad and my Grandma (Ah) are all having a high ball in heaven like they used to.. :)

“ To Ken, Mike, Steve, Monica and Amy and families,

My condolences on the loss of your mom. Cherish the good moments and let time help in the healing process.

Personally, I have way too many wonderful memories of Dorothy and Ed to list here. Hard to believe how fast time has gone by, and yet, how the memories are still fresh in my mind. I consider myself extremely lucky to grow up on a block with so many good neighbors and friends. Everyone looked out for each other. Unfortunately, I don't think young people these days will ever experience what we had on 51st and Sayre. Having "lost" my dad from being at home at a relatively early age, when in need, the Skowronski family was always there, among others. I hope Dorothy and Ed realize what a positive influence they were on my life. I will always be grateful to them.

*With affection,
Bill Waters.*

“ Dorothy was a wonderful neighbor and friend. Reminiscing on pictures growing up on Sayre and all the good times we had growing up. We would always talk about flowers she was always in her garden and took great pride in it. I can remember getting a call or a knock at the door she ran out of an ingredient for a recipe she was making and wanted to borrow eggs or sugar. She was always there if you needed help. She really is going to be missed

“ My thoughts and prayers go out to the entire family. When I think of the vacations up north, all those stencil boxes she completed for my dad, the countless pots of coffee shared by our folks, it's quite a lot of memories to sort thru. She and all the family are in my prayers. Eternal memory! Blessed repose!

“ Ken, Mike, Steve, Monica and Amy... My heart goes out to all of you and your families. I will always cherish all of my wonderful memories of your mom. Growing up just 2 doors down, your mom was like a second mom to me and my siblings. We were so lucky to grow up in such a loving neighborhood. She is at peace with your Dad and watching over all of you. Much love to you all. Theresa Fiacchino.
