“ The best way to describe Uncle Ed is, one of a kind. Uncle Ed has always been a source of laughter and guidance. I have so many great memories, I wouldn't even know where to start...but watching him with his great nephew, Ben, as a little kiddo was awesome...always making him laugh and then there was the time he set up this squirrel to make it look like a GI guy got him, OMGOSH it was hysterical. Ben laughed and laughed. Uncle Ed and Aunt Shirley also trekked all the way to WI to show up for Ben's high school graduation...which in turn made it easier for Ben's Grandma Dee to attend.

For me the best times were when he would let me hop in the Impala and ride me around...and many many 4th of July's together. Uncle Ed was a gift and someone I respected a great deal. May he now be at peace. ❤️

I mourn for the loss of my “big” brother and will cherish the memories of our childhood. I always looked up to him and thought he could do anything. Eddie was the protector as well as the antagonist of his younger brother and three younger sisters. Nothing can erase that family tie nor diminish the good memories all our children have of him. He was unique, a rebel and talented artist of his own making. Eddie, you have always been and will always be in my prayers. May your soul heal and find peace.
