“ You were a difficult man at times but, you loved mom so much & to care for her these last 4 yrs during her dementia was proof of it. I wish you have accepted more help from ur daughters ... Thank God I had great visit Tuesday with you. I know you did the best you could. I will miss u forever your loving first born ❤️

“ My dear uncle Eddie, I remember being the flower girl in yours and Aunt Diane's wedding. I also remember my summers in Chicago, and spending the night with you and Aunt Diane! You always had a small garden. I remember you coming to Alabama and loving looking at our LARGE gardens. May you rest in peace uncle. Love you. KimQualls
