“ *2/11/2017: Hello Ed, I happened to drive by the house tonight and saw lights on. Thought of your Dad and found he had passed last May. Please accept my deepest belated condolences. I have found memories of him not only from his WWII experiences, but also the summer Cholewa picnics. For some reason, I remember him doing auctioneer calling. As much of loss it is, hopefully by now, you can remain in CA and live your life to the fullest. He had a long one, so may you. Again, my deepest sympathy. John Gizowski, nephew.*
