“Fast Eddie was a very good friend of mine and fellow mechanic. We talked about cars often and helped each other diagnose problems. We also had a few drinks together at Chester's from time to time. He's the one that told me to go after my now wife at a 4th. Of July party at my friend Danny Z. House. He wouldn't leave it alone, he kept telling me he liked me and me and Stephanie would be good together. Well, he was right. I'm going to miss you my friend. You will never be forgotten. Love you buddy.

“ This is shocking news. Over the Fast Eddie was my mechanic, a bowling teammate and a drinking buddy. While on duty I use to visit his garage just to shoot the breeze with him and Joey. All good memories of Fast Edfie. My sympathy to you Cindy and little Eddie and the rest of your family members. There will never be another Fast Eddie.

“ It is not easy understanding why, but GOD really does. take the BEST... Eddie, someday we will have the answer, and until that day arrives, know that you have touched our lives in so many ways for so many years. Your friendship, your big heart, your personality, making us laugh so hard we had tears rolling down our cheeks! ALWAYS there to lend a hand, do a favor, all of the things a MAN with INTEGRITY would do.

You ALWAYS sang my favorite on karaoke night, "Always On My Mind", now you will FOREVER be on ours. and in our heart... THANK YOU for being all that you are. PLEASE give our love to my Johnny, you two behave up there!

It has been our HONOR to call you "FRIEND". GOD BLESS you Eddie, Greg and I will truly miss you.

Ed, you have kept our cars running for forty plus years. You were the most honest mechanic I ever met. More important, you were a good man. I loved just talking to you about life. When you closed , our whole family missed the service you had provided for us, but we missed you , our friend even more. RIP Fast Eddie

“ My Godfather Eddie was the best! So funny and so kind. He will be missed by so many. A true testament to the kind of person he was is the amount of people who knew and loved him. I hope we can take comfort in the fact that he led a full life full of laughs and singing and he's in heaven with his mom, dad, brother and friends.

My deepest sympathy to you and your family. Eddie was good friends with my dad. They bowled together and he was our mechanic for many, many years. He always told you the truth, and always gave a fair price on the job he did. My dad would always say that Eddie would give you the shirt off his back. He had a great sense of humor and was so kind to myself and my family. You will be dearly missed. Rest in Peace Eddie!

To the Family of Fast Eddie:

I just heard about the loss of Eddie as I live in California and just got the sad news and wanted to send my deepest sympathy as well.

I maybe met Eddie once or twice but knew him through my dad. I was my dad's mechanic and I moved away 40 years ago and Eddie took my spot as the mechanic.

I would ask my dad what Eddie did and what he charged and soon realized Eddie was a man of service and not only blessed with mechanical talents he shared his gifts with the community and he always was more than fair.

Truly he was one of a kind and my family will miss him.
