“ *I was so lucky and truly blessed that Miss Eileen came into my life. She helped many of my first grade students at Byrne School become better readers. She was so much more than a volunteer. We became friends and enjoyed going out to eat and spending time together. She lived a beautiful life and has a legacy that will continue on through her children, grandchildren, and great grandchildren. She is now beside her beloved Jack. I will truly miss her! May God walk with all of you through this sad time.*

My class, too, enjoyed having Mrs. Linden visit and help in our classroom, and I enjoyed knowing her. She truly was a lovely and kind lady whose love for her family and children was always evident. She made a difference! My sympathies to her family. I am sure she will be missed!
