“ We are deeply saddened to hear of Elly's death so recently as December. We had been trying to stay in contact with her since my brother Gordon's death 5 years ago, but had a difficult time staying in touch. We had no idea she was ill. We heard thru a family member and checked out the Chicago Tribune just today, January 10th, so we were unable to attend the viewing or funeral.

Elly was always friendly and upbeat whenever we visited them in Las Vegas. She loved to shop at Kohls and was always very generous in wanting to share her little "finds" with us. Gordon and Elly would treat us to a special show or dinner when we came to Vegas. Wish she had lived nearer to us these last couple of years.
