“ Emily was my best girlfriend growing up. I was so very sad to hear of her passing. We had lost contact over the years, as I had moved away from Chicago. I was her maid of honor at her wedding to Robert and she was my matron of honor at my wedding. We literally grew up together, as I was often at her house. We were friends, buddies and often acted like siblings. Em was a wiz at math, she was resourceful, she was fun to be around, she loved the color of emeralds, and she was loyal to her friends. We shared so many experiences together from rafting at Silver Birch Ranch and sharing a cabin year after year, to playing monopoly on her front porch steps. She made the best Easter Bunny pound cakes, and she shared Christmas cookie recipes that I still use every year. There are so many good memories I have, and fun memories of the times we had. I miss you dearly Em. You can rest now, God will take care of you. I love you and miss you,  
Colleen
