“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Amanda, Chrissy and Ashley Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow.*

“ *Gene was a wonderful fellow; he came to work at Crowley's as a young man just a short time after it opened in 1978; he was a delightful person, always friendly and helpful to co-workers and customers alike, always with a positive outlook. I remember it wasn't that long ago when we had a company celebration honoring the 25 years he had worked at Crowley's. All of us who worked with Gene over the years at Crowleys will miss his warm smile and happy and affectionate nature.*
