“ *I will miss my cousin Taquia, she will always be in my heart & mind. May she forever rest in heavenly peace. I remember the last time I went to visit her, Gerrie & I took baby Luna to meet her. Ricky cooked & we had dinner with them, & I took some pictures of them with Gerrie & Luna. I remember her smile & she was always so cheerful. I always thought we'd go back & visit her again but because of covid we weren't able to. Love you Taquia, I'll see you again one day* 💔😭❤️🙏

“ *Tia Taquia, you will be missed very, very much. I'm grateful to have had a Tia like you. You were always kind, funny and always make sure that every time we visited Chicago we were taking care off the right way. You always opened your home and heart to us. We became adults and the only way I was able to pay you back was by inviting you to my home every time you visited Florida. I always make sure to have the best food and wine, because that's what you deserved. Tia, you will be missed and I will for always remember the great tia you were. Love you. Benjy Caban!!*
