“ *What do you call your sister's mother-in-law? Well, with Franca, I just called her family. She and I got along well from the start. Even more so when we shared our mutual love of pro-wrestling! Franca was such a lovely woman. She was a a great cook, and Kenny loved her greenbeans. He said She reminds me of my own mom. She held your hand like only a mom can. We love and miss Franca, and send our love and warm thoughts to all of her family.*
