“ I worked with Sonny for many years at Midland Metal Products. He was always a breath of fresh air. When you would be lucky enough to share some time with him, he always had a good joke, a funny story and brought sunshine on a cloudy day. The world has lost a wonderful man. I feel blessed to have known Sonny and the other Linkowski family members.

I knew Sonny from the wire business along with Bernie and Josepine. He was a cousin to my Father and my dads sisters. Always liked them people. My sympathy.
