“ *I know my father and Frank had a long lasting friendship that included supporting each other as they each lost their wives. The connection of the weekly Tuesday -morning phone call comforted the old college roomies as they both found their 'new-normal'.They were conversations that we should all be so lucky to have. Peace to all Frank's family.*

“ My name is Jeanie and I am a Eucharistic Minister at St. Bernard's Parish who takes Communion to Victorian Village every Wednesday morning. I met Frank very soon after he became a resident there and he quickly became a good friend. He was a delight and kept his friends there entertained ... me, too!! One day when I was visiting with only him, he told me that no one could imagine how much he missed his wife. I then told him that although I am very happily married now, at age 47 I had very suddenly lost my first husband. Frank was so grateful to be able to talk to someone who had felt many of the same feelings he was having. That was a real bond between us.

When I saw Frank last Wednesday, I was pretty certain that I wouldn't be seeing him this Wednesday. I am happy for him, but will greatly miss him on my rounds this week. God's blessings on you, his children, grandchildren and great grandchildren. Thank you for letting me have the privilege of knowing him.
