“ Frank,
I'm at a loss of words. I'm going to miss you buddy. I didn't meet you until we both worked on different shifts on hazmat. But seeing and talking every morning was great and made my day. I'm going to miss our phone calls of laughing, telling stories, and just talking about life. I hope you are at peace now and laughing from up above. Until we meet again. Rest in peace. Love ya man.
