“ I was looking for someone to do work on my home when my friend, David Aguirre recommended his Uncle Frank. All the work done in my home over the past 19 years was done by Frank. We considered him a very good family friend. He watched our children grow up and loved to tease our oldest daughter. Our most sincere condolences to his wife and family. May his memories comfort you all during this difficult time. Fly high Frank, straight to the arms of God. You will be forever missed.
