“ In our life style we have met many persons who we will always remember. Included in this list are Geraldine (Geri as we knew her) and her husband Alex Reiter. We were most fortunate to include Geri and Alex as family due to the fact Judy, their daughter married our son Phillip Matthew. We are saddened now that we will not see or hear their voices of this special couple anymore now that God has blessed both of them and has taken them to his Heaven. But they will always be remembered in a special place within our hearts.

I will miss all the times we had talking to each other over our fences . We miss you so much already
