“ *Gracie, There are no words I can say to express my sorrow of your passing. I was so lucky and blessed to have known you. You were an incredibly strong woman who I admired dearly. You loved so dearly and lived life to the fullest. You always told me how much you loved your family and I know they loved you more than you knew. Every conversation we had you ALWAYS mentioned to me how proud you were of Gabi. It's because of you, that she is the woman she is today! She has all your qualities of being a smart, strong intelligent woman. You did a great job! Thank you again for giving me the "pep" talks about not giving up when things were tough.*
