“ *My great grandmother Chicago (as we called her) died almost 12 years ago this coming January. I think about her all of the time, but especially in winter. I don't know why, but that just seems to be when I remember her most. I have many memories of grandma Chicago, but one of my personal favorites is me sitting in her little apartment kitchen, eating a bowl of canned peas, and watching her and my mom play cards. She always gave me peas. I love you and miss you grandma Chicago!*
