“ Sending warm thoughts and prayers to the Whitehouse family. Many year's has past but my special memory of Ima was her love for family, her laughter and she loved to talk to. During my high school days I would come with Theresa after school and we didn't even through the door and greeted with her a smile and joke that she gave punch line before the joke. She is with her husband and has no more worries. Eternal rest. May perpetual light shine upon you and may your sole rest in peace <3
