“ Dear Nancy and Jim please accept our heartfelt thoughts and prayers at the loss of your beloved Mother. What a great lady she was and she taught me so much as one of my favorite nursing supervisors. She always set the bar high for each of us to make certain our patients were well cared for. Later in life Bob had the pleasure of working with her as well. Thank you for sharing your Mom with us. I am certain that the angels were there to welcome her home after her many wonderful works. May God bless all of you. Bob, Sue, and Alicia Ahlgren
