“ *Grandpa, thank you for your encouragement in my walk with Christ. I'll miss your jokes and laugh, your stories about Texas, you just calling in to check on us, and you sharing your sweets with us. I still remember how when I was younger you'd always get out your guitar and we'd sing "Amazing Grace" together, I love you and will miss you very much!*

“ Grandpa, we will always love you and think of you so dearly. I'm sorry you were taken away from us too soon. Only wish I could hug you once more and hear your laugh. I love that you were a happy godly man who never let anything get in your way of moving forward. My heart is heavy and overwhelmed with sadness that no words can express how we feel. I thank Jesus for the Cross, that we may be able to run to it and rely on Him in our times of grief. Heaven has gained a beautiful angel. Now you can be hand in hand with Andrew watching over all of us. I listen to your funny voicemails that you have left me over the years and I'm grateful to have been loved by you. We will miss you forever Grandpa.

Truly Yours,
Your Granddaughter Jen, Will and kids
