Thank You Sharon, Agnes, and staff so much! I loved the way in which Foran Funeral Home handled my son Jacob's Memorial. You were always available to answer any questions. Sharon, you did everything right to make my son's memorial meaningful. Your patience and kindness alone were comforting. You're so well versed at what you do. Excellent job!

Sharon was able to arrange and design a beautiful Memorial service which included music and videos, finding and scheduling with a priest that would offer a full mass with communion, and setting up the alter. Agnes and Sharon helped with the arrangement of flowers, design and settings throughout which also included the luncheon that was held there at Foran's.

“ *Jacob & I were neighbors that turned into a friendship for over ten years. So many fond memories that we shared. From doing laundry, grocery shop, yard sales, barbecue, watch movies/sports, & listening to the best music to our Halloween festivities. My greatest memories were back when Hailey & Gracie were younger. We always had the best fun together! I will miss him dearly & hearing him call me Moe baby.*
