“ Today my heart is empty for my Uncle Jim is being laid to rest. April 21st. 2013 part of him died along with my Aunt Helene, and he never had peace for losing her. I know he is so Happy to be back with her now and that makes me happy. They are looking down at all of us, with a Big Smile on their face, probably arguing now and then, but being very Happy..LOL..Even though I wasn't able to say a Final Good-bye, you are in my heart and I will miss all our 14yrs. of our Sunday talks with both of you, and I will hold them close in thought with many memories that we shared. Love to Both of you...Rest In Peace...I will miss you Deeply..
