“ *Well what can I say about Janine? She made me laugh until I cried...especially in our trio with Nancy McGee. Food and laughs were our great memories together from high school through adulthood. I was so blessed to have shared time with Janine, her daughter Rachel and Nancy. God's speed Janine! Love Always*

“ *Janine was my grade school friend at St. Valentine. My best memories with Janine is when I would go to her house after-school and play board games like Clue at the kitchen table. Auntie Zoe would always have a smile on her face. Once in a while Janine's grandma would come upstairs to say hello. Janine and I did not keep in touch as time went on but I will always cherish the friendship we had. Rest in Peace my friend.*
