“ *My memories of my father will never fade ... That man lead a rough life but he always confessed his love for me and always let me know how much he loved my brother and I ... It was my duty to care for him u til the end ... I hope you know how much I loved and cared for you and if I could have taken your pain away I would have ... You always had a special place in my heart and I would so anything for you ... You drove me nuts but that's what kept me going I love you and always will dad 🥺* ”
