“ *Dear Hubalik family,
I have many fond memories of your mom. She was always kind, patient, and had a gentleness about her. Her smile lit up a room. On a few rare occasions, I remember coming home for lunch from Hale school and enjoying a PB&J sandwich with Donna and Kim while my mom whisked someone off to an appointment. Your mom made sure we were well cared for. How lucky we were to grow up on Mayfield avenue where neighbors genuinely cared about each other and could count on their friends. It was lovely. I know Mrs. Hubalik loved her family and cherished her grandchildren, and she leaves behind a beautiful legacy in all of you. With deepest sympathy in the loss of a beautiful soul. I'm sorry I can't attend the visitation, but you will be in my thoughts and prayers.*

“ I remember Mrs. Hubalik's warm smile and kind words every time I saw her. She was a great example to me growing up . As kids, we always practiced our baton twirling at the house to prepare for the block party parade. She would always say "Great job!" even if you messed up. You will be missed Mrs. Hubalik, but you are now joining the gang at the eternal block party in heaven ! Cathy (Guss) Karpiesiuk
