“ One of my first memories ever was of my brother, John, giving me a little red plastic cup with a straw attached. We were sitting on the bottom steps of the stairs in our house in Naperville; I think I was about 3. I don't know if there was a reason that he gave it to me, but I loved that little cup.

“ We are so very sorry to hear about the passing of Uncle John. I have so many fond memories of family time spent with him and I'm still sorry I talked you in to taking me on the crazy ride at Old Chicago.
