“ *:Martini family,
Please accept my sympathy on the loss of your father, husband and grandfather. I pray as time passes, gradually you will move toward the day when the comfort of your memories is greater than the sorrow of your loss. And may the memories of your husband, father and grandfather give you strength in the days ahead.
May God Bless the Martini Family,

“ *To the Martini/Cotton Family -*

We never had the pleasure of meeting John, but Will (Jr.) and Jessica (Lord) spoke so highly of him and were so fond of him. He seemed like a great man, and someone who was very much loved and will be truly missed. I hope that you all find peace during this difficult time.

*Our thoughts are with you all
Love,
Emily and Patrick Lord*

“ I will always remember all of the fun it was watching Uncle Johnny and my Dad, his brother Nino, get together on many occasions and reminisce about their growing up years. They would both be laughing so hard that tears would be coming out of their eyes-true brotherly love-and their laughter spread to everyone else in the room. I know they must be so happy to be together again and are laughing again in Heaven. Uncle Johnny always took time with all the children in the family-nieces, nephews, great nieces and nephews, and of course his own grandkids-and we all held a special place for him in our hearts. So lucky to have such wonderful memories.

“ I have many great memories of Uncle Johnny. The earliest I can recall was when I was maybe 5 and sleeping over at the Martini's. I was half asleep on the couch and he scooped me up and carried me to a bed where he gently tucked me in. I also recall as a teen being thrown fully clothed into the pool in the backyard. I believe he tossed my girlfriend in for good measure. He was a true gentleman and a man to be admired. Wishing peace for all the hearts that will miss him. Tom

“ To the Martini 'Ohana (Family):

On behalf of the staff and members of Roofers Local 221 covering the state of Hawaii, we send our sincerest sympathy and condolences on the passing of a great man!

I've had the privilege of working with John for the last 30 years and have always felt his love for the industry and the work we continue to perform today. It is because of great men like him, that our Union continues to do what we do to take care of the needs of the working class in this great country.

John always made me feel important - like an equal. When he served as our general president is when I really saw the heart of the man - fair, compassionate, driven, empathetic - attributes that served him well and helped me to become better. Even though we're out in the middle of the Pacific, he always remembered my name and treated me just like he treated his best friend! I will always remember his positive attitude, his warm smile, and his kindness towards me at our Local.

We will never forget him! God rest his soul...
