“ I remember being young and sitting on his lap when he came to visit us in Kansas City. He seemed larger than life and we called him Uncle Walrus because of his mustache! No one says “Tiff Tiff” quite like Uncle John. May he rest in peace. Love to you all and sorry we couldn’t be there.

Uncle John was a kind, loyal and great man. He was my dad's (Joe Frasson's) best friend. He was a hard worker. He had an amazing wealth of knowledge and was great at Jeopardy! He never ever complained despite all of his health issues. He was a fighter until the end. He loved his family and friends and enjoyed all the time spent with each and every one. He will be greatly missed. I am so happy he was a part of my life as well as many others who were blessed to have him. He is up in heaven now doing great things. Love you Uncle John.
