“ My heart hurts for Johnny Ray and Uncle John's immediate family, as well as all of his extended family of dear friends. I will miss him tremendously, but am thankful for knowing him. He will always be remembered by me for being my second father, and someone I could count on to tell me exactly what he thought (whether or not I wanted to hear it!)

I know that he is looking down on all of us while he rides his corvette to the biggest casino in the sky, with checks from the past year of winnings in his shirt pocket....

Unfortunately, I am unable to come to the service. You all are in my thoughts and prayers in this very difficult time.

Sending hugs and comfort to all of you.....
