“Dad can't believe we are here! Even tho we knew how sick you were this was too fast! I know you have been through alot but with all that pain and suffering you were as tough as nails! You taught us alot in your own ways, with your tough love! You gave us everything we didn't want for anything. Raising 8 kids is hard you made sure we had food on the table and a roof over our head! Even though your love was shown in different ways we now know this and felt it. I can think back and go oh yes that was his way of saying be careful, because I love you! Mr Camach I'm going to miss taking you to go do groceries, taking you to your favorite place the Casino. Buying your lotto tickets because you are Going to win big you say. Dad we are still waiting lol God has you now and I am grateful for everything you have taught me! Even when I didn't think it was good for me or didn't agree then. Go on Papi we have mom from here. RIP forever with us we will cherish all the memories! Rest on old man! Love you Dad!!
