I've thought of Joe over the years many, many times. I worked with him at the Park District. I was going through a terrible divorce at the time and I wouldn't have had Christmas presents for the kids on year if Joe hadn't taken up a collection for me! A good heart, smirky smile, a joy to work with.

My condolences to the family.

Campana

I just came across this obituary, and was surprised and sorry to hear of Mr. Finnigan's passing so recently. He and the family were our next-door neighbors over 30 years ago on Troy Street in Chicago. My sisters and I knew his children. On behalf of the Campana family, we extend our sincere condolences.
