“ Joe was one of the nicest bosses that I've ever had. I remember when his girls were young and growing he would come to work and say Caryon I have a bag for you in the car. Inside that bag would be a ton of clothing that he would give to my daughters. He was truly a blessing to me. R.I.P Joe your memory will live a life time in our hearts.

“ The past 22 years working with Joe was the most enjoyable job that I have experienced. He was the best boss a person could ask to work beside. “ I can still hear Joe's laugh....after all these years. From Archer Avenue, to Lawndale, to Garfield Ridge, Uncle Philly is gonna miss you my friend. We had some good times back on Archer. Stories I can't even repeat. :-) He always had a smiling face and we joked about me being his uncle by marriage even though he was older than I. Or the fact that almost every Barrett went by an "alias" am I right Susan??

Yes, we have our memories to guide us through this tough time. Kim, Laura, Jenn and Kelley, your family is always here. Remember the good times. They are priceless and many. Love you all!

“ Kim & family,

Please know you are in all our thoughts and prayers at this time. When we think of Joe - we think of a young, smiling guy who always had a good word for you, willing to listen and be a friend. During our younger years - as all here have mentioned - he was full of life, full of smiles - someone you were glad to say you knew. You two were a couple who exhibited what puppy love turned into true love really meant. Our hearts hurt for you at this loss. But do take comfort, he is with those who have gone before us - the Bosley bunch if you will - not alone but continuing a different journey and until we all meet again we know his smile continues to shine. We stand with you in the next few days to celebrate his life which was filled love for family and friends. He will be missed. You are in our thoughts and prayers.

With deepest sympathy and warm friendship,

“ I've worked with Joe for many many years at Connection (the company formerly known as ValCom), and cannot think of a more dedicated, hard working and incredibly knowledgeable person...he was always there to help you work through the many challenges we've gone through over the years. I close my eyes and can still hear his footsteps coming down the hall...he was one of the fastest walkers I've ever known :)

I did not have the privilege of getting to know his family, but I do know that the "family" he had at work will miss him incredibly, and there will be a void there that cannot be filled. My heart goes out to his wife, family and friends, I wish you all peace.

“ On job interviews, you are always asked what qualities, your best boss had, since 1999, it has been Joe's qualities. I have been lucky enough to work for him twice. He has been a boss, a mentor, and a friend that provided the support needed to allow individuals to shine. Joe you are truly missed,.

“ *What a wonderful, kind sweet man who adored his wife and children and would always help out anyone in need. I have fond memories of Joe and Kimmy growing up on Loomis Street. We all hung out together and created alot of fun memories. I remember our camping trips, to Kentucky Lake and doing the white water rafting. I never did, but Joe and Kim were always so brave to tackle. I will always remember our coed volleyball team at Bosley park. Joe may not have been as tall as the other two guys but he sure could hold his own. I also always enjoyed our annual trips to Rocking Chair Resort when the kids were small. We would enjoy the kids during the day but when they were fast asleep at night the grownups would play. Joe you were a remarkable man who will be sorely missed. Love Jamie Romano*

“ I could not believe this when I heard the news. I remember my De La Salle days with Joe fondly. Any time I hear his name many memories cross my mind-but the most memorable would be the ear flicks. To some that may sound strange, our last names are right next to each other so in home room he sat directly behind me and every single day and throughout the day I would get flicked in the head or ear, didn't even have to turn around and just knew-there's Joe. As you know, I personally know how hard this will be. My condolences to Kim and the family. --Roy Solofra and family
