“ I will always remember Juan for the big heart he had. He was a godsend to my mother. He cared for her and up until he passed, he always professed his love for her. He loved Zeke (my nephew), like he was his own child. He was a genuine man and will truly be missed. Mom loved him very much and always tells me that she never went without when they were together. May God keep him in his glory. We shall see you again, Hno Juan. We love you so very much!
