Such a long time friend. We met Judy through her dear mother when sharing a booth to display Ukrainian memorabilia and icons. We will miss her and know she is polka dancing in heaven. Irene and family

Judy shared many holidays with us. She as NOT the cook. One of our favorite memories is when she was assigned to place 8 grand biscuits on a baking sheet. Came back to find three baking sheets with things that looked like potato chips. The next years she put butter on the table.

Judy was always so friendly and kind. I remember when I was in high school playing tennis at Summit Park I ran into her and she gave me a ride home in her boyfriend's convertible. First time I ever rode in car with the top down and I thought it was so cool. Glad to see from the pictures she continued to enjoy her love of travel!
