“ *Dear Ed, Eddie and family. I was so saddened to hear of June's passing. She was a valued friend and colleague. All of the years we worked together in #104, she was always a person I could turn to to help me solve a problem, no questions asked.*

Eddie, one of the things your mom and I laughed about from time to time was a memory of you being in first grade at Walsh School. You had come into my office in tears because your shirt had been caught in the zipper of your coat, and try as i Did I could not get that shirt and zipper separated. So I called your mom and asked if I had her permission to cut your shirt to get it unzipped. For some resin your mom and I thought that was so funny.

I'm sorry I will be unable to pay my respects in person. Please accept my deepest sympathy in the loss of a great lady.
