

June Evelyn Ogden

April 10, 1926 - December 19, 2024

June Evelyn Ogden nee Bouse quietly left her earthly life on the morning of December 19, 2024. She was 98. Born in Indiana on April 10, 1926, June moved to Chicago after marrying Loren Ogden.

June and Loren had 5 children, 6 grandchildren and 5 great grandchildren. She was the Ogden family matriarch, frequently (and lovingly) referred to as "The General." With her extreme fortitude, she was truly the backbone of her family. June was a dedicated and loving wife, an extremely loving and caring mother, a doting and proud grandmother and a treasured and affectionate great-grandmother.

June was preceded in death by her husband, Loren Ogden (1984), her two oldest sons Timothy Ogden (2018) and Thomas Ogden (2021) and granddaughter Danielle Ogden (2000). June is survived by her son Ted (Ruth) Ogden, her devoted daughters Cheryl (Patrick) Guide and Cathy (Jack) Hartigan) and her cherished grandchildren Laura (Jeremy) Ludwig, Chris (Kelsey) Ogden, Nick (Jaci) Guide, Joe (Paige) Guide and Matt (Abbie Morales) Hartigan. Precious great-grandchildren include Dillon Ogden, Jaycee, Lauryn, Frank and Sloane Guide. June was also predeceased by her parents and her two siblings and is survived by numerous nieces and nephews.

June had a special place in so many hearts and will truly be missed. Her death will leave a void in many lives. She will always be remembered and loved for her endless kindness, her gracious gentleness, her sparkling sense of humor, her incredible strength, her quiet courage and her confident faith. June looked forward to a heavenly reunion with the many who had gone before her. She found comfort and solace in the knowledge she would at last find true rest and peace with her Lord and Savior.

June's grandson aptly quoted Babe Ruth to describe his Granny when he wrote: "Heroes get remembered, but legends never die." And Granny was a legend.

Interment will be private.

“ June was a year old than my dad and they were cousins. Many of good times were had at the Pennville Alumni Banquet. I remember June and her daughters stopped by my dad's house in the spring after his passing. She was kind and a very fine lady. Sending sincere condolence to the family.
