We will go in procession from the funeral home to Resurrection Cemetery where Juvenal will be laid to rest.

You were a true Taurus; ambitious, resilient, hella stubborn, reliable, proud, idealistic and compassionate. You held yourself and others to extremely high standards. You despised BS, drama and chaotic situations. You preferred true connections with authentic individuals, and those connections allow you to give the best of yourself.

You were a master craftsman. You handled every project with care, excellence

and respect, even up to the very end. Even your tools received the best of care.

Everything you left behind is as you designed it . . . absolutely perfect.

Everyone you left behind were/are blessed to have known you and your love.

May grandma B, grandpa Frankie and Valente welcome you home.
