“ Dear Rich and Family, Please accept our sincere condolences and deepest regrets. Kitty was sweet, generous and warm. No matter how badly her day was going, she never passed a harsh word, or an unkind comment. Never "nails with her oatmeal". Warmest memories and hopes during this difficult time.

“ Dear Rich, Carleen, Denise and Jim, my sincerest condolences on the passing of your beloved wife and mother. She came into my life as I was a grammar school friend of your late brother Tom. From the time I met her she was a great example of what a mother truly represents in our lives. Although she experienced many heartaches, they were unmatched by the joys that continued to multiply through her children and grandchildren. I am sure they kept her going! One of her greatest attributes was to be truly "child-like" in her interactions with children- A smile, a laugh, a silly gesture that was sure to put a smile on someone's face and in someone's heart. Her motherly love is her legacy not only to you but to the world that she influenced. I was the happy recipient of that love for many years as part of her extended St. Rene family and as her doctor.

She is surely with God and the loved ones that proceeded her into eternal life. I am grateful for her being in the life of my family as well.

Sincerely,

“ Kitty was an inspiration of courage and strength to everyone lucky enough to know her. I admired her grace during sorrow and her sense of humor during good times with family and friends. Her love for her family will be a beacon of light guiding them through this life. She is just on the other side, sending her love. God bless the Mroz Family.
