“ Betty, I want to thank you for encouraging Kathy to come to our Convention May 3 and 4th. You gave Kathy's friends in Federation the opportunity to hug her, kiss her and express our love for her. She was truly a "one-of-a-kind" Gal. She was an awesome example of strength, friendship and dedication to all she believed in. Her laugh will always ring in my thoughts of her. In fact, I can hear it now as I write about her.

You are a strong woman/mother and you passed that strength on to Kathy. To see you, without her will be difficult, but it will give us all the chance to express our love for you and to honor your dedication to each other.

God really expects a great deal from all of us but Kathy will be there to guide you on.

Love, Annette Andretich-Gross

“ Growing up in Summit Kathy was my next door neighbor. I have so many fond memories of Kathy as she was my childhood friend and neighbor, We walked to school together sharing stories of our families. She was always a kind good friend we loved going to see the White Sox play her dad George would take us often. My fondest memory was freshman year in high school and Queen of peace had a dance marathon and her and I were one of the last few couples left we had so much fun. My condolences too the entire Koran family I am sure she will be missed, You are all in my prayers, Mary Jo

“ My sincere condolences to the Kathy's family and the entire Koran family. She was an original, a true unique person with energy, a smile and matter-of-fact way of speaking. I haven't seen her since Peggy's wake but she was definitely a figure in my life growing up in Summit and at St. Joe's. It's funny the things we remember about people. I'll never forget when she met Walter Jacobson and shook his hand. She proclaimed that she will never again wash that hand. I'll assume at some point over the years she actually did. The story always made me smile and I hope it does you too. May she rest in God's peace. Susan Janettas-Visconti

“ My sincere condolences to the entire Koran family. I don't think I can pinpoint one particular memory since Kathy was always somewhere with Girl Scouts, helping out Mrs Koran or my mom. Kathy will be sadly missed, however, she is now at peace and no longer suffering. Mrs Koran, you and your entire family are in my thoughts and prayers. “Katie could be a stubborn woman but she had the biggest heart! She was kind and always giving! I remember so many memories from my childhood that had Katie and Mikey in them. And i am just so glad that my girls and husband got to meet her and her as part of their lives as well (even if only gor a short period of time) because the memories we made with her are going to be with them for the rest of their lives! Katie was a fighter and I know she fought until the very end. We love you Katie! I hope to see you again one day!
