“ *My sincere and heartfelt sympathy to Keith's family. I know he was always there for you guys, and you all helped him with his terrible illness. I love you all, and I wish I could take away your pain of losing someone so special, but only time can ease that pain a little. Know that he is resting now, no more constant battles at the hospital, no more pain. He's watching over you all now, and smiling with love! He will be missed, and won't be far from your hearts.*

Love, Val ❤️❤️❤️
