“ Ken became one of the ROMEO (Retired Old Men Eating Out) JFK chapter a few years ago. What started as a group of retired teachers became a group of retired teachers and retired students. Ken rarely missed a breakfast. I have tears in my eyes as I reflect upon the suddenness of his passing.

Our deepest and sincere sympathies to the family of one of the nicest of all the Kennedy alumni.

“ Ken was one of the best people I ever knew. He was kind, considerate, thoughtful and giving. His love of country, family and friends was apparent in everything he did. He was a grammar and high school classmate and truly one of the really "good" guys. He will be deeply missed. Mike Farmer

“ My deepest sympathy for Carol and the boys. Ken loved his family above all else. You were his heart. He was a fantastic friend to me. He always called to be sure I was doing okay. His calls showed his kindness and thoughtfulness. He and I didn't know one another until many years after high school and yet, we were close, dear friends through the reunion meetings. Carol, you are now one of us. We love you as a dear sweet friend as well, please know that you will always be one of the reunion group, despite never having gone to Kennedy. Ron and I are deeply saddened by Ken's passing and we continue to pray for all of you. May God be with you closely during these difficult times.

“ *I am in shock, I just spoke to you last week.
I've known you since the 4th grade and always thought of you as
my "older " brother. We were each other's voice of reason in our
teens and even though we always didn't keep in constant contact
we could pick up where we left off with a phone call. I'm going to
miss you "bro" but I know you're in a better place. Say hello to the
parents for me.

“ Ken you will be missed my friend, since the day we met about 3 years ago we hit it off and you and I became very close friends. The times Micki and I spent with you and Carol, and Tom & Jan were great, we had such great times together, having our game nights, or going out to dinner, or when we all went on day trips to Michigan & Wisconsin to fairs, or fest or just spending the day together, we could not laugh any harder then we did till we all cried. I'm going to miss you calling me or me calling you on a weekly basis and talking about the Cubs or the Blackhawks, or just to see how we were all feeling. I am going to miss your voice and that big laugh, the jokes you would tell priceless. The best was when we were able to watch the Cubs win the World Series being a die hard Cubs fan that was great. I say good by now my friend but we will see each other again and tell jokes and laugh together again. RIP my friend. Chris Vimarco
