“ Gayle and family, I am so sorry for your loss. Words cannot express. There is a verse I heard a long time ago, as it goes like this. There is a place that lies beyond, and in that place the one who's now away, not lost just gone before and in that place the lies beyond, one day we'll meet our loved ones there. My prayers to you and your family

“ *there are no words to describe the loss we (your family) feels. You are smart, funny, quiet, outspoken, and proud. Your passion for your beliefs is unmatched and should be something people envy -- I believe people continue to grow in our hearts so I hope you can see how loved you are. Your smile and smirk will be missed and I only wish I told you that I loved you more then I did. Until we meet again -- have a drink with my dad and meet our son..... xoxox Cris & Donna*
