Kieran will be remembered fondly by many as a master carpenter and woodworker whose custom-built homes stand throughout Chicago's south side as a testament to his craftsmanship and the artistry he learned at his Father's side. Kieran will be remembered by his sons as a devoted Father who taught important lessons through a mix of parable and his own example. Together with his wife, Monica, Kieran made the education of his sons a priority with the result of raising four college-educated public servants, himself

a proud graduate of Great White University. Following a seven-month battle with esophageal cancer, Kieran passed peacefully at home a short while after its recurrence was realized.

“ Normoyle Family, I got to know Kieran very well while working at C.C. Wagner Lumber in Summit. I was his point of contact during his building years but our Wagner family got to know him very well. He was truly an Irish gentleman and will be missed. Don Wesolowski

“ Kieran .....It is Friday Morning March 22nd and Family and Friends have gathered to accompany You to Your Final Physical Resting Place.

We are thinking of how Daddy used count Us as Children before we said the Rosary at home .....always to our amusement!

Thinking of that count now with Claire, Geraldine, and Jerome there with You, Two are missing from it Maire and Ethel who cannot be physically present, but are there in Spirit with Monica and Yer Boys.

Kieran it has not taken Your Going from Us to talk and reminisce about You.

There are many objects in our homes in Lissycasey that show the creation of Your God given talents.

Your dry sense of humor with the things you said always make us laugh.

The expression of Your many kindnesses along the journey of life.

Kieran may there be a beautiful welcome for You in the Home You are going to.

You are not going to some where strange, but merely the place where God, Mammy, Daddy, and Val are waiting for You there.

We will never forget You, and when we gather as a Family we will give Sullivan's John A Blast.

Good Bye Kieran Good Bye.

We Love You.

Maire  and Ethel

“Kieran..I am writing this by candle light in South Africa, and the words of John O’Donohue from East Clare says something of what I want to share with you.

*“Let Us not look for You only in memory,  
Where we would grow lonely without You.  
You would want Us to find You in Presence,  
Beside Us when beauty brightens,  
When kindness glows  
And music echoes eternal tones”*

*I have so many memories of Us growing up together in lovely Lissycasey.*

*Joining Stevie in his procession to bury the hen, picking blackberries behind in Donnelly’s ditch, and mushrooms up in the Ray. Do You want the world to know how you marked Yours!! Your definition of living outside the box has stood me in good stead! Of course I regret that we lived the “Hay Days” Of our lives far apart, but it had to be.*

*It called us in different directions, but we kept in touch!!*

*Thank You Kieran for choosing Lovely Monica as Your Wife, and for giving Me Four Lovely Nephews that I dearly love. My heart goes out in sympathy to them now as I hold them in My heart, but I know that You will be watching out for them from a place where they can never lose you again.*

*Good Bye Kieran Good Bye.*

*I Love You. Ethel ....Nell *
