“ *The loss of Kurt saddens me greatly. I was a fellow worker of Kurt's at the Union Pacific Railroad and have to say he was one of the most likable person. I knew of his struggle and always hoped he would come through. I had similar situations in my life. Looking back I wish I could have made a better connection I know I did the best I could but can't help but think I could have done more. God Bless you Kurt!*

“ *Kurt was my nephew and Godson, I remember family Christmas parties when he was a little boy, white shirt, vest, and bow tie...so cute. Then, as he grew up, his rocker style long hair. Always a little smile and a twinkle in his eye. His time cut short here on earth but memories of our time together and of his sweet soul will live with us forever and help us to carry on. Love always, “Aunt Arlene “ Arlene Preus Harris and Larry Harris*

“ Heidi & family,

Kurt was an awesome brother and friend. We spent many a sleep over where Kurt Johnny, Heidi and I would talk into the early hours of the morning. We'd listen to Kurt play what ever instrument he was into at the time. I will miss his smile and his ability to make awesome music. May he find the jam session of all jam sessions and rock the heavens!
