“ *May your family continue to gain strength , as the hearer of prayer embraces your hearts during this most difficult time. Keep comforting one another and building one another up, with love and encouragement to stay strong. (Proverbs 3:5,6)*

“ *I just watched the beautiful video of your daughter. My heart goes out to you, I lost my daughter 14 yrs ago, no parent should outlive their child. In time the hurt will not be as bad, but it always will be there. Try to remember all the times you had together. That will help to keep you going. The biggest thing to remember is that She is always with you. You now have your own precious guardian angel.*
