“ I am so grateful that I was able to share time with Larry. He never ceased to amaze me with his knowledge, trivial facts and precise recollection! Anytime I felt like I wasn't where I should be, I'd visit with Larry. He would quickly remind me of why I do what I do. He made many of my days better. Although I haven't been in touch, I think about my Larry daily. I'll forever remember his smile and the laughs we shared. I love you, Larry❤️
