“ I'm sorry I couldn't make it but grandma Lee was such a loving person. She put everyone first. She was nice, kind, loving, understanding, outgoing, respectful, helpful, and responsible. I loved and still love her so much. She inspired me to be the best I can be. She helped me through everything and spoiled me. through the 15 years of knowing her, she helped me in so many ways and I could have never thanked her enough. As hard as it is, im glad she passed calmly and is no longer in pain. She will forever be in my heart. I love you gram, rest in peace. ❤️

“ Grandma was the best. She was always there for us and so proud of all of us. She always remembered to call us on our birthdays and send a card. I'm so glad I saved the last two birthday voicemails I have from her. Love and miss you already grandma.

“ My favorite memory of mom is her mopping the basement floor and dancing with the mop to Patsy Cline. Also her home made bread and jelly. Miss you mom.

“ We had the BEST mom. If we had a small cut or bump, after checking it, her favorite thing to say was "You'll live". She was always there for us.

She was the kindest most caring person

She always thought of others first, until the very end.

I would cook something and call to see if she wanted any. EVERY time she either just made it or bought stuff to make it ! It was our little joke

I miss calling her, I miss my friend.

She loved sitting on the porch all those years. She loved talking to her neighbors . She loved her neighbors

Now she's in heaven with all the other goofs (Aunt Eleanor Aunt Grace Aunt Pat V. and all the others . she 's up there doing something silly with her sisters and the guys.

REST IN PEACE. LOVE AND MISS YOU THANKS FOR BEING YOU !

“ *She was one of my favorite customers. We shared many stories about our families. I remember her as a kind person and very hard working -- but it was all for her kids. Please accept my condolences. You were lucky to have her in your lives.*
